MEMORANDUM FOR : Chief, Security Branch, Office of Special Activities
25X1A9a

SUBJECT : Request for IDEALIST III Briefing for [REDACTED]
25X1A9a

1. During my recent visit to [REDACTED] I met with [REDACTED] the Deputy 25X1A9a
Commander of the [REDACTED] and formerly a member of this Division. Among the
many problems he surfaced to me was one which I think we can solve with a
minimum of effort and a maximum of potential benefit to ourselves and the Air
Force.

2. For reasons that escape me, [REDACTED] 25X1A9a
Commander of the [REDACTED] has not been briefed on Project IDEALIST. I cannot say
whether or not he has a "T" clearance, but [REDACTED] pointed out that as [REDACTED] X1A9a
deputy, he is in a continuously difficult position with regard to the work he is
doing in support of IDEALIST in the [REDACTED] a good deal of which is in excess of
programed manpower and materials figures. He says that his difficulty is one
which could be alleviated were [REDACTED] made a member of the IDEALIST
club.

3. I have discussed this with [REDACTED] who concurs in [REDACTED] 25X1A9a
briefing. It is suggested that [REDACTED] be instructed to do the
briefing.
